[Download school term dates to your own calendar.](#)

Please note: Academy, voluntary-aided and foundation schools set their own term dates - check with them directly to find out more.

Sometimes a school may adjust the dates slightly due to specific circumstances - check with the school if a specific date is key to your plans.

The West Berkshire term dates allow for one set inset day over and above the 190 pupil days. There are four additional inset days which schools are able to decide for themselves and these need to be outside specified pupil days. These agreed term dates provide a guide.

Setting School Term Dates

Academies, foundation schools and voluntary aided schools are responsible for setting term dates for their school. We encourage them to consider the implications for parents who may have other children who attend community or local

authority-controlled partner schools before they vary their own arrangements.
